U.S. Probation Officer Action: On 3/21/13, the probation officer asked Mr. Sturdivant about his drug use. When the probation officer confronted Mr. Sturdivant with the test results, Mr. Sturdivant admitted that he had been smoking marijuana on occasion, with his last reported use on or about 3/14/13. Mr. Sturdivant and the probation officer discussed his reasons for drug use and assessed whether there was a need for a treatment-based intervention. Mr. Sturdivant related that he is confident that he is not in need in treatment. Given Mr. Sturdivant's commitment to ceasing his marijuana use, and the fact that this was Mr. Sturdivant's first positive drug test, the probation officer is not making a treatment referral at this time. However, the probation officer is enrolling Mr. Sturdivant in a random drug testing program in order to more closely monitor his sobriety or drug use.
